### **NOTES:**

- Two detectors are sufficient to carry out a radon survey. The cost of a survey is €56.90 (including VAT). Prices are effective from January 2012.
- Please allow 28 days for delivery.**
- The detectors are measuring radon all the time and it is therefore important to place the detectors as soon as you receive them. If this is not done your measurement result may be invalid. If you think you will be unable to place the detectors immediately, for example you are shortly to go on holidays, we would recommend that you complete this application form on your return.
- Your details will not be passed to any third party. The RPII may contact you for research purposes only. Please tick the box if you do not wish to be contacted in future.
